A STEP BY STEP GUIDE REGISTRATION GUIDE FOR PLAY FOOTBALL.

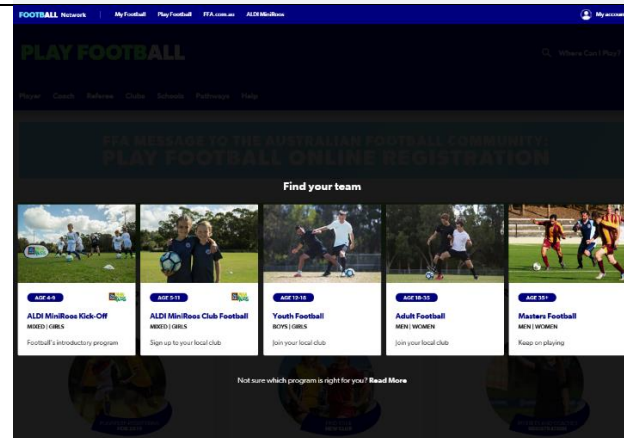

STEP 1:

Go to the Play Football website - www.playfootball.com.au
Select one of the 3 options shown. It doesn't matter which one as you'll be taken to the same page.

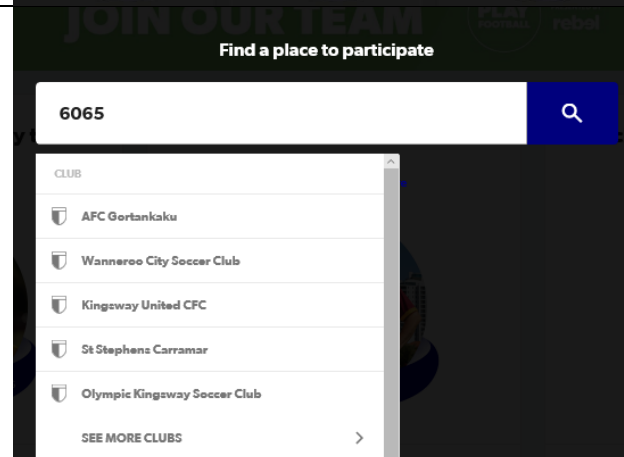

STEP 2:

Select the appropriate age group option.

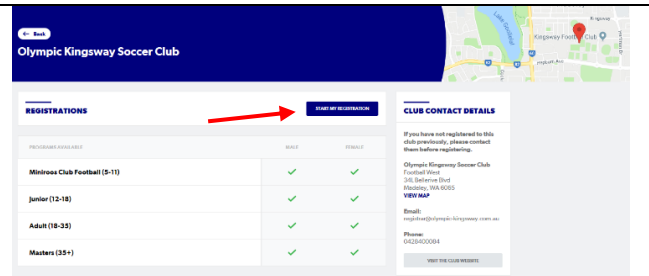

STEP 3:

Enter the Clubs Post Code – 6065 and select "Olympic Kingsway Soccer Club".

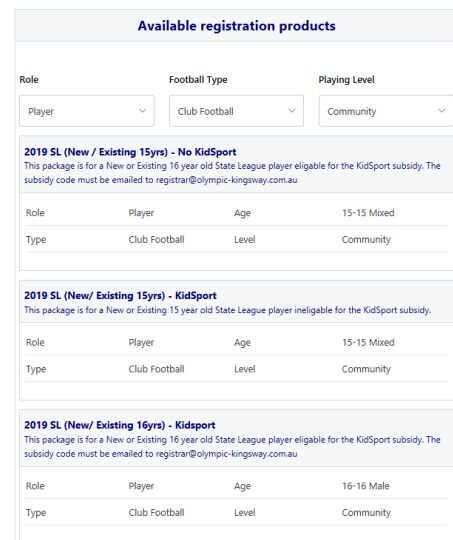

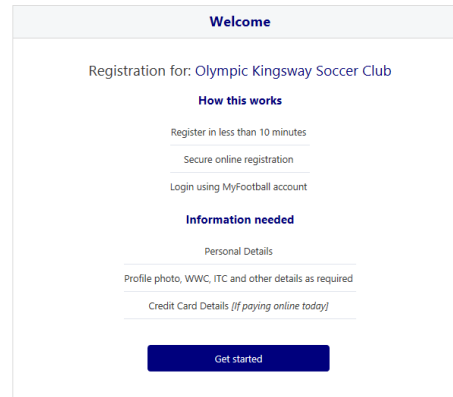

STEP 4.

Select the 'START MY REGISTRATION' button.

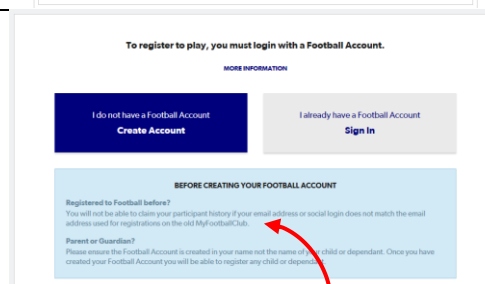

STEP 5.

This page shows you an entire list of all the registration packages if you scroll down. It is information only. There are also 3 fields to filter the package information. Ignore this and select the "Get started" button.

STEP 6:

This is an important part for parents whose children are under 18 years of age this year and if you have not created an account in this system yet. *Please note this system was introduced this year and 99.9% of people need to create a new account. So please read "BEFORE CREATING YOUR FOOTBALL ACCOUNT" information shown in the light blue box bellow and choose carefully!!!

STEP 7:

You are now creating a Parent account. Therefore, this should/ must be your details and not your child's.

After entering you details at the bottom of this page select "I have read and accept the terms and conditions, then press Register. You will be emailed a code to confirm the account is created.

The screenshot shows a registration form for a Parent account. It includes fields for 'First Name *' (Parents First Name), 'Last Name *' (Parents Last Name), 'Email Address *' (parents email address), 'Create a Password *' (with a note: 'Use 8 or more characters with a mix of upper and lower case letters & numbers.'), 'Confirm Password *', and 'Date of Birth *' (Select date). There are two green checkmarks: one for 'Receive marketing promotions and special offer emails from Football Federation Australia' and another for 'I have read and accept the terms and conditions'. A 'REGISTER' button is at the bottom.

STEP 8.

Enter the code and you should be taken to this page, where you select the person you are registering. Select "I am registering a new person" and the type of person. i.e. CHILD. Then click continue.

The screenshot shows a selection screen for the person being registered. It has a 'Logout' link in the top right. A progress indicator shows the current step. The main heading is 'Select the person you are registering for'. There are three radio button options: 'I am registering myself', 'I am registering a linked person', and 'I am registering a new person'. Under 'I am registering a new person', there is a radio button for 'Register my' and a dropdown menu set to 'CHILD'. A checkbox 'Link this participant to my account' is checked. An information icon and text state: 'If the person you are purchasing the product on behalf of is not shown, you will need to: Login as that person - or Login to your account and link the person record to your account (record must have the same email address as yours to be able to link)'. A 'Continue' button is at the bottom.

STEP 9.

Now enter your child's details.

*NB: if your child played last year enter their first & last names, DOB and the email address used to register them last year to search for their FFA number. If you've changed your email address the system will not find the FFA# and playing history. Instead it will create a new FFA#.
